RSE Ventures is into everything from professional football (Miami Dolphins), global soccer tournaments ([International](#) Champions Cup) and unmanned aerial competitions (Drone Racing League), to

a dedicated in-venue broadcast network (FanVision Entertainment), sports event ticketing (PrimeSport) and venture capital (Vayner/RSE), a whole lot more.

In the current episode of the three-time Emmy Award winning show Forbes [SportsMoney](#), I chat with RSE's co-founder and CEO, Matt Higgins about his game plan. The video below also includes lots of neat charts and graphics.
